

**IAHMR**  
**“ONE VOICE-ONE GOAL”**  
**MEETING MINUTES**  
**JANUARY 26, 2010**

Absent: Treasurer, Dave Wolfe, Secretary, Russ Shirley.

Dave Daugerty volunteered to take minutes for January meeting.

President Jerry Nulliner called the meeting to order at 10:00 AM. Minutes from the last meeting were distributed, motion made and carried to accept the minutes.

Steve Orusa, new Deputy Chief of Operation for Fishers Fire Department, was introduced to the members.

**Treasury Report:**

President Nulliner distributed copies of the treasury report.

12/31/2009 balance \$18,184.22.

2009 annual income \$8,402.00

Expense \$4,911.99

Net income \$3,490.01

**Committee Reports:**

**Membership:**

Eric Hutchinson is checking with Eli Lilly, has reached out to Richmond thinks they want to get involved. Steve Haston is speaking around the State of Indiana about IAHMR, creating awareness. He presented the idea of letting the County EMA's join for a reduced fee. Discussion involved looking into it for EMA's or maybe LEPC's. Tim Thomas stated that any members other than haz mat should not have voting rights.

Ken Zuber is working on survey to send to fire departments. Pres. Nulliner suggested he work with committee members to get it put together. John Shimer suggested that we might get hospitals as associate members.

**Legislative:** No Report

**Strategic Planning:** No Report

**Training:** Gary Brandt said they had 3 propane classes in December 20 plus participation per class. Noblesville is hosting classes dates to be announced. Districts are doing a lot of training. We will get them info on our training.

**By laws:** Mike Damiano, will Chair and Jeff Hamilton will participate in this committee along with Russ Shirley.

**General Reports:**

**Website:** Steve Haston requested we send him links for our individual websites to him to add to IAHMR site.

**In Time:** Eric Hutchinson stated that the hold harmless rule was passed. They are looking in to overturning law that says law enforcement can ticket fire. Towing company association presented a list of recommended equipment for tow response. Eric passed out a draft recommended spill contractor training level and equipment list. Dave Daugherty suggested that the spill contractors form an association.

**Authorized Equipment list for Haz Mat Teams:** Tim Thomas passed out a list of equipment for Type I,II,III teams send comments to him. The Stated fire marshal has been tasked to audit the Haz mat teams in the State of Indiana.

**IAHMR 1/26 2010 minutes Page 2**

**California Fire Scope:** Tim is still negotiating to acquire the program.

**Haz Mat competency check list:** Gary Brandt distributed the District 5 list. IAHMR members should review and decide whether to adopt statewide.

**Propane Classes:** John Shimer, IPGA, stated that seven classes were given last year. There will be ten classes this year. March 8, South Bend, March 9, Elkhart, March 27, Kokomo. June or September Amerigas class and the BP rollover tanker will be in Indiana somewhere. STTS will do three days of training at Pike Twp Fire.

**New Business:**

Eric Hutchinson will try to get Transcare training to Indiana.

A motion was made to adjourn the meeting. The motion was seconded and meeting ended 12:00 PM.
